KOLE Big Time is a standout bull we have been excited about since day one. Born unassisted to a first calf heifer that performed flawlessly, he is sired by the crowd favorite XXB Big Shooter, who turned heads at the Classic a few years back. Big Time combines heavy muscle, added depth and capacity with a bold, attractive profile on sound feet and legs. He offers the complete package: daughters you will fight to keep in the herd and steers that packers will bid strong on. His carcass EPDs rank among the breeds elite - Yield Grade top 10 percent, Ribeye Area top 15 percent, and Fat Thickness top 20 percent. If you want one bull that truly does it all, do not let KOLE Big Time walk past your bid card.

If you know our program, you know we are absolutely crazy about red cattle and this bull is the kind we get fired up about. Sired by the legendary JRI General Patton 221B83E. Massive top, heavy muscled, and big ribbed, stout, square, and set on an outstanding set of feet and legs. Born to one of our all-time favorite cows: SEPT Cosmopolitan, the deep-crimson red female that was a division winner at Junior Nationals and has turned into an elite producer. Multiple carcass EPDs rank in the top 30 percent of the breed, with two traits in the top 10 percent. Phenotype, performance, and proven genetics all in one complete package. The General Patton genetics are going to get harder to find, he is appropriately named Last Of My Kind. He will make exceptional replacement females that last and steer mates that packers and feeders will fight over. Bid with total confidence- this is a herd bull prospect you do not want to leave without.

This Purebred Gelbvieh bull right here is out of a bull that the late great John Oswald raised in his prime, they called him Governor and if he still to this day is a trend setter in our herd! Look at him he is as thick as they can get! The functionality is through the roof! Watch him on the move he just strides like a cat and does not miss a beat! Come find him on the internet or at the Classic. You do not want to miss this one!

Herdsire at it finest. Reserve Champion Bull 2025 North American International Livestock Expo, he also was the Spring Bull Calf champion 2026 National Western. Talk about meat and muscle in a attractive package. He ranks in the top 15% Weaning Weight and top 20% Feeder Profit Index. At 9.5 months of age he had a 38 Scrotal, weight of 1157 and a REA of 13.60, with predicted Yearly weight of 1477 and REA of 16.02. His dam has a beautiful udder is proving to to one of our best cows and up and coming donor. SEPT Adrenaline is super thick , wide topped and deep soggy ribbed with that extra dimension and capacity. Homozygous BLACK. Retaining 1/4 semen interest.

BUTR Just A Little Lou 505N comes straight from one of the most proven cow families on the place. Her dam, PMG Cindy Lou, is the powerhouse behind the 2024 National Champion Purebred Gelbvieh bull, BUTR Teamar. This time around, Cindy Lou delivers again with a natural calf that brings both quality and personality to the table. 'Little Lou' is the kind of heifer that makes chores easier. She is as gentle, people oriented, and one of the friendliest in the entire barn. Combine that disposition with the structural correctness and balance you expect from a BOYD Justification 1004 daughter, and you have got a heifer that is ready to slide right into your cow herd without missing a beat. Whether you are looking for a junior project with a great attitude or a female that will mature into a productive, maternal cow, Little Lou is built to fit your string at Junior Nationals.

BUTR Brilliance in Bloom 504N ET is the kind of heifer that stops you in your tracks. Sired by the ever reliable SAV Brilliance 8077 and backed by the proven Promises A701 ET donor, this young female blends pedigree power with real world quality. She is jet black, bold in her rib shape, and carries that sweeping, big bellied look that turns heads from the moment she enters the ring. Her clean, extended front end ties it all together, giving her the balance and presence every exhibitor wants on the halter. Bloom is the kind of heifer built to compete now and generate value long after her show career. Sound, stylish, and ready to serve you well - she is the one you will be proud to have in your string at the Good Life Classic! Give us a call if you have questions.

XXB Miss Block Party 415M (Belle) comes from a program known for producing consistent high quality cattle, along with many winning multiple National shows. Belle herself was the Champion Balancer at Buffalo County Fair, along with many other Champion and Reserve Champions at shows. Her mother has been recognized as a Dam of Merit every year she has been eligible. Maternal sister XXB Nebraska 924J, who is an AI Sire in many herds as well as Resident Herd Sire at Easy E Cattle Company.
